

# Rise Vision Offers Commercial-Grade and Affordable Avocor Displays

Rise Vision's all-in-one Avocor displays combine a media player and screen for stunning visuals and reliability.

Choose outright purchase or Hardware as a Service for seamless integration with Rise Vision's signage, screen sharing, and alerts—backed by the support and features you need.

## High Performance

Avocor displays handle demanding schedules, support digital signage, screen sharing, and alerts—no media player required.

### ✓ Multiple Display Sizes

Choose from 43" to 98" displays to fit classrooms, offices, lobbies, and meeting rooms.

### ✓ Optimized for Rise Vision

No media player required—run animated templates, live data, and 4K video seamlessly.

### ✓ Designed for Longevity

Commercial-grade Avocor displays ensure extended use, minimizing downtime and maximizing performance.

## Flexible Purchasing Options

Select an ownership model that fits your needs and integrates seamlessly with Rise Vision.

### ✓ Hardware as a Service

Get a subscription with white-glove service, 3 or 5 year warranty, and free shipping for replacements.

### ✓ Outright Purchase

Own your hardware with a 2 year warranty for flexibility and complete investment control.

### ✓ Tailored Solutions

Whether buying or subscribing, get displays that integrate with Rise Vision signage, screen sharing, and alerts.

## Cost Effective

Deploy and manage Avocor displays easily with user-friendly software and fast customer support.

### ✓ Technical Support

Get expert help in one business hour via phone, email, or remote desktop support.

### ✓ Setup in Minutes

Power on, connect to Wi-Fi, link to Rise Vision, and manage displays instantly.

### ✓ Single Purpose Device

Locked for Rise Vision software, reducing unauthorized network access risks.

## Key Features

- 43" to 98": Lightweight and easy to install
- Built-in Media Player: No additional hardware required
- Tamper Proof Design: No front buttons to prevent interference
- Landscape: Designed to show content in a landscape format
- 16/7 Usage: Built for education and commercial environments
- 4K Resolution: High resolution display for vivid visuals

# Hardware as a Service vs Outright Purchase

|  | Hardware as a Service  | Outright Purchase   |
|--|--|---|
|  | Eliminate upfront CAPEX costs, and leave the management and support of your digital signage hardware to us. Pay a low annual fee and get your hardware, white glove service and full warranty for the length of the hardware subscription. | Prefer to own your hardware outright? This is the option for you. Get the best devices to run Rise Vision from Rise Vision. |
