RISE VISION

Powering Better Communication

HOW OAKDALE ELECTRIC COOPERATIVE USES **RISE VISION** TO CONNECT THEIR TEAM

"I am absolutely pleased with Rise Vision and their media players, as their simplicity and ease of setup have exceeded my expectations."

Your Touchstone Energy® Partner

CHAD SCHAUF

IT Director at Oakdale Electric Cooperative

OVERVIEW

Oakdale Electric Cooperative serves over 15,000 residential and businesses in Wisconsin through a single distribution location that houses their corporate offices, warehouse, garage, and mechanic shop.

As part of their ongoing mission to become an employer of choice, Oakdale recognized the need to modernize how they communicate internally across departments and workspaces. **To help achieve their goal and improve employee communication, they adopted Rise Vision digital signage.**

SOLUTION

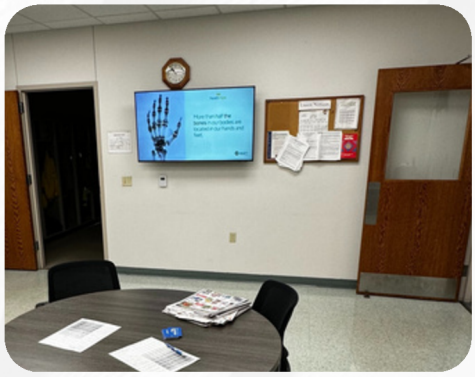
Oakdale Electric Cooperative deployed displays with **Rise Vision Media Players HaaS** across key office locations and shared spaces to centralize and streamline internal communication.

Where They're Using Rise Vision:

- Individual Offices
  - CEO's office
  - IT's office
  - Project Manager's office
  - Engineering department
- Common Areas
  - Front desk
  - Mailroom
  - Breakroom (visible to field technicians)

What They're Communicating:

- Outage dashboards
- Power BI dashboards
- HR announcements
- Employee birthdays and anniversaries
- Internal updates and scheduling
- Welcome information
- Motivational quotes, jokes, and health tips



Tech Spotlight

RISE VISION MEDIA PLAYERS

Oakdale Electric Cooperative is using 7 Rise Vision Media Players through Hardware as a Service (HaaS).

Why it Works For Them:

- Plug-and-play simplicity
- Fast, stress-free setup
- White-glove service
- Reliable performance
- Seamless content updates

"I couldn't be happier with my choice, and I highly recommend Rise Vision Media Players to anyone seeking a reliable and efficient digital media solution."
